Dr. Martha Bledsoe attended the

There is more Catarrh in this section of
the country than all other diseases put
together, and until the last few years
was supposed to be incurable. For a great
many years doctors pronounced it a local
disease and prescribed local remedies, and
by constantly failing to cure with local
treatment, pronounced it incurable. Sci-
ence has proven Catarrh to be a constitu-
tional disease, and therefore requires
constitutional treatment. Hall's Catarrh
Cure, manufactured by E. J. Cheney &
Co., Toledo, Ohio, is the only Constitu-
tional cure on the market. It is taken in-
ternally. It acts directly on the blood
and mucous surfaces of the system. They
offer one hundred dollars for any case it
fails to cure. Send for circulars and tes-
timonials.

People with kidney ills want to be
cured. When one suffers the tortures

today that relieve, but do not cure.
Doan's Kidney Pills have brought last-
ing results to thousands. Here is
Chickasha evidence of their merit.

A. M. Dinning, 311 Michigan ave.,
Chickasha, says: "I had been troubled
for a long time by kidney complaint.
The desire to pass the kidney secre-
tions was too frequent, but the pas-
sages were scanty and scalding. I
attributed the trouble to the drinking
water here. Doan's Kidney Pills made
a cure."

ply ask for a kidney remedy—get
